EDUCATION

University of Western Ontario

September 2025 – June 2029

Bachelor of Engineering and Ivey Honours Business Administration

London, Ontario

Relevant Courses: Programming Fundamentals for Engineers, Business for Engineers, Linear Algebra with Numerical Analysis for Engineers

WORK EXPERIENCE

Flipdoor (Startup)

March 2022 – Present

Co-Founder

Toronto, Ontario

- Joined a startup team through the UofT Hatchery and played a key role in developing a Tinder-like platform designed to simplify the rental property search process
- Built a Python web scraper to collect property details such as bedrooms, price, and location, while also creating Figma mockups to refine the user interface
- Successfully secured \$7,000 in funding after pitching to investors, continued development for a year, and gathered valuable user feedback to improve the platform

Shad Canada

June 2024 – August 2024

Fellow/Ambassador

Calgary, Alberta

- Participated in the prestigious Shad program at the University of Calgary, focused on STEAM enrichment for high school students across Canada
- Designed and developed an efficient and eco-friendly tidal stream generator prototype aimed at reducing Nunavut's reliance on diesel fuel, providing a sustainable, renewable, and affordable energy alternative
- Won multiple awards, including Best Prototype, Best Application of Scientific Principles, and Best Overall Project

Master Seo's Dynamic Taekwondo

September 2023 – August 2024

Assistant Instructor

Mississauga, Ontario

- Instructed over 30 students (ages 4-13) across all belt levels, adapting lessons to different skill levels and learning
- Accumulated over 500 hours of teaching experience, leading classes and providing feedback to students
- Collaborated in monthly staff meetings to assess training effectiveness and to improve quality of teaching
- Emphasized discipline, focus, and proper technique while teaching fundamental and advanced Taekwondo principles

VOLUNTEER EXPERIENCE

Erin Mills Youth Center

June 2023 – August 2023

Sports Deck Supervisor

Mississauga, Ontario

- Supervised 20+ kids and teens during sports activities, ensuring they stayed engaged and safe while participating
- Provided assistance as needed, ensuring participants received support to improve their skills during intramurals
- Maintained facility setup and cleanliness before opening and after closing to keep the space up to standard

AWARDS & CERTIFICATIONS

- Kukkiwon-Certified 4th Degree Taekwondo Black Belt
- NCCP Assistant Instructor
- Taekwondo Ontario Certified Provincial Referee
- Master Seo's Dynamic Taekwondo Leadership Scholarship Recipient
- Lifesaving Society Lifeguard and Swim Instructor
- Standard First Aid with CPR-C and AED
- Royal Conservatory of Music Level 8 Piano and Theory Certification
- Royal Canadian Air Cadets Corporal Rank
